

“Lisa’s Choices”

Available this month

These are some of the outstanding people who Renard represents. Every month we see outstanding careers and unfortunately they don’t always fit the roles we have. Therefore we wanted to share these “Super Stars” with clients like yourself who always say to us, “We will know what we require when we see their experience.” Please view these talented individuals’ achievements and should you be interested in seeing the entire resume, please write me.

PS. Should you not see the exact experience you wish, please ask. We have displayed only a very small portion of the many great additions available to your company due to limited space.
